

Dates for the Diary

March

Friday 3rd March - 2pm - Church Service

A service at St John's Church for the World Day of Prayer.

Tuesday 7th March - 7pm in WI Hall. UVA Open Meeting

Tuesday 14th March- 7.30pm - Film Night

This month's film is 'Elvis' starring Austin Butler as Elvis and Tom Hanks as Colonel Tom Parker his manager. The film explores their relationship which lasted for more than 20 years and along with Priscilla Presley, Parker had the most influence on the meteoric rise to stardom of Presley and also on his struggles to deal with the downside of that fame. The question might be what kind of influence, for good or ill ?

Thursday 30th March - 7.30pm - Gardening Club

Our speakers are Richard and Caroline Torr from Hepscott who will be telling us about the rejuvenation and development of his own garden since 2016 and of his passion for growing succulents. As their garden is included in the National Garden Scheme we may have it as one of our summer visits.

Everyone welcome to attend.

Helen apologies if this change upsets plans; sadly she has a funeral in the Midlands the following week. This meeting is to bring together anyone who is interested in the maintenance and development of Ulgham Meadows, to discuss progress and future works. Also to bring forward ideas to commemorate the coronation of King Charles with various events over the weekend of 6-7-8 May. Please come along and join in the deliberations
