

Ulgham Newsletter

July 2024

Summer is officially with us! Thank you to everyone who has been involved in planting/caring for the flower tubs / baskets, tidying around the village, field and meadows and helping with community events.

A lovely afternoon spent in the hall commemorating the 80th Anniversary of the D-Day landings on the 8th June. Ulgham WI served Tea and Cake which was enjoyed by all who came. Thank you to Helen Dunn for the footage of events unfolding shown on screen, and to all who helped in any way.

'Tommy,' Given to one of our village residents by her Daddy when he came home after surviving D-Day.

The road through the village was decorated to commemorate D-Day 80. It was good that Ulgham remembered.

WI members taking a well-earned rest from serving afternoon tea to Village residents.

The Duck race was great fun at the end of May. Lewis Gill had the winning duck!

A designer is now in charge of the road repair, when that is sorted the road might be done!?

A very convivial morning was had at the plant sale in aid of MacMillan cancer support thanks to the Caisley family, £720 was donated! Very Well Done!

The WI Hall will be used as a Polling Station for the General Election on 4th July.

Woodlands and Meadows

This is a great time to visit our village's nature reserve. Why not take the children/grandchildren for a walk along the paths or a picnic in the Jubilee Oak clearing at our new picnic table. Point out as many natural things as you can - this will prepare them to fill in a quiz sheet (available at the Woodlands table at the feast).

This might inspire you to join our team of volunteers – send your contact details to dparkin@btinternet.com.

Keeping in touch
