

Ulgham Newsletter

August 2024

Oh, the joys of Summer! It is good to see the flower tubs and baskets looking so colourful, the trees and hedges very green and the Hedgehog and Owl seat being the bright centre of the Village.

A Very big thank you to the litter picking group for their great work in keeping the Parish tidy and safe. Thankyou!

August is the time of hedge cutting! If you have hedges next to pavements or roads, can you please trim them back. Thank you to neighbours who have already done so and kept their boundaries weed free.

The Ulgham Feast was held in the WI Hall as the weather forecast was not great. We had a well attended, happy event. Thanks to all who came. The Cricket club did us proud as usual with a lovely social gathering in the evening. It is hoped to hold the Boules event one Friday evening in August, date and time to be decided and broadcast on the website, Facebook and word of mouth!

The main road through the Village will be closed from 8am to 5pm on Monday 12th August to Friday 16th August for extensive refurbishment. It will be open to residents and businesses, (and the buses I suppose!).

Alert of a Temporary Traffic Regulation Order as follows: 139404946 - B1337 Ulgham, Grangemoore Road, Longhirst / B1337 Ulgham Village Main Road Ulgham. Northumberland County Council Road closure for structural patching works. It is expected that the road will be closed 12/08/2024 - 16/08/24 08:00 - 17:00. Access will remain for residents and businesses. Road closure order valid 29/07/2024 - 29/01/2025.

Further information can be found on the one.network website here: <https://one.network/?tm=GB139404946>

Morpeth Macular Society Support Group. Second Thursday bi-monthly 10am - 12pm Morpeth Methodist Church Howard Terrace, NE61 1HU. Come along to find out more about the Macular Society and the support provided. Family, friends and carers welcome. Contact: Katherine 07517 544 046. <https://macularsociety.org>

There is no Parish Council meeting in August. However, Rendezvous continues for the month of August and George and Helen usually attend if you have a problem or questions.

Happy holidays to you all. Enjoy the season as much as possible!

Woodlands and Meadows

Thanks for all those who entered the Woodlands and Meadows Quiz at the feast, a couple of the younger entrants did well and received prizes but neither they or any of the adults scored top points by identifying all 24 of the living things found in our Local Nature Reserve. There is obviously a need for more people to spend time in the Woodlands and you can do this by wandering around at your leisure or joining the volunteers any Tuesday morning at 10am. For more information contact dparkin@btinternet.com
