November 2025

"November is the pearl grey month, the changing between the warm crimson October and cold white December." Even if it is pearl grey we have many warming and cheering events in the village - look at the diary and choose some, you will be very welcome.

The big village event this month is Firework Night on Wednesday, 5th November. Gates open at 5.30pm, fireworks at 6.30pm. Please come promptly as refreshments of soup, rolls, sweets, toffee, juice go quickly! Our worthy volunteers are making more soup! We have an excellent array of fireworks and the refreshments are an added extra. The UVA are happy to keep the entry charge at £10 per family/£5 an adult. This is a lovely evening and raises funds for the activities the UVA organise next year. Thank you to everyone who has volunteered to help at this event and to all the soup makers. If you wish to help, please contact Helen Shaw (0779 0930103) or Lynne Scott (0789 4077957).

Here are some Scarecrow and Gardening Show pictures from September to cheer November:

Women's Institute

Many thanks to everyone who supported our Marie Curie Coffee Morning. We were thrilled to raise £668.21 for this wonderful charity. Huge thanks to everyone.

Ulgham WI would like to extend our sincerest thanks to everyone who supported our charity collection. To celebrate 110 years of the WI we decided to try to obtain 110 items that would make a difference to women in need. We are so grateful to everyone who contributed dental bags, period products and Izzy dolls. We well exceeded our target and were delighted to deliver a car full of items to a local women's refuge. Thank you so very much to everyone who made this possible.

The speaker for our November meeting will be Joyce Quinn who will be talking about her two books 'Angels of the North' which shine a spotlight on some of our region's outstanding women and their achievements. In addition, this month there is our morning out for coffee, walking group and lunch at Kirkharle.

Woodlands and Meadows Local Nature Reserve

Volunteers to meet at 10am at the top of the steps at the entrance to the Nature Reserve. You can join one of the regular work mornings or be allocated a small area of clearance to carry out at your own pace. Any offers of help or ideas for development get in touch with David dparkin@btinternet.com
