

ULGHAM PARISH COUNCIL

Minutes of the meeting of the Parish Council held in Women's Institute Hall

Monday 17th November 2025

Councillors J Scott (in the Chair)

Councillors: P Barton, J Robson, H Shaw, K Thornton

Also in attendance: 4 Residents

Apologies: George Brown and Pam Lamb

67/25 Questions from Parishioners

A resident finds it extremely difficult to understand how a fully approved holiday park now exists beside the village despite no planning application ever having been submitted for a campsite. He feels the recent proposal to extend the campsite stated that the extension related to an "already approved site", but no formal approval appears ever to have existed. Historically, the site operated only under Camping & Caravanning Club (C&CC) exemptions (5 caravans + 10 tents). If a full application had originally been made, he believes it would likely have faced objections. The amended application, which was later approved, also limits operation from 1 April to 31 October. Concerns were raised about compliance with a resident observing 3 vans on site on 1st November, indicating that activity continued beyond the allowed dates.

A resident also identified two structures that have not been moved in 2 years, suggesting they may be functioning as static buildings. A newly constructed road raised concerns about permanence of static unit and landscape damage. To look into whether static structures on site require separate planning consent ACTION: Deb Wilson

70/25 Neighbourhood Plan/Village Survey

To date, we have received 23 online responses and 36 paper responses, giving a current return rate of 34%. It has been rumoured that someone has bought the forge and intends to 'bulldoze the building in the new year'.
