November 2026

'November is the perfect month for making memories with your favourite people'.

A great way to make memories in Ulgham is Firework Night! A lovely Parish celebration at the Playing field where many Villagers help and support the event. It is the main fund raiser for the other, mainly free, Parish events and funds extra items for the field and Village. There is lots of busyness around the Village for about two hours on the evening of the 5th of November, we thank everyone for their forbearance! On Thursday, 5th November there will be soup, rolls, sweets, toffee and juice from 5.30pm, the Fireworks are timed to be fired at 6.30pm. We try every year to have enough soup, come in good time! There is no change in the cost: £10 a family, £5 an adult.

PLEASE DO NOT BRING SPARKLERS TO THE FIELD!! These are not allowed under the terms of the insurance policy we must have now. THANK YOU!

Thanks, in advance, to everyone who has volunteered to help this year at the event and to all the soup makers. If you would like to help please contact Helen Shaw (0779 0930103) or Lynne Scott (0789 4077957).

St John's Church Ulgham Christmas Tree Festival takes place on Saturday, 5th & Sunday, 6th December. Would you like to display a 'Tree'? It could be an actual Christmas tree OR a tree shaped item in 2D or 3D. For example, the book club is creating something (could be with books!). The knitting group is busy knitting 'toys' for its tree. The Garden Club is making a Christmas wreath display. The Church is creating something that looks like a tree! Woodlands & Meadows Local Nature Reserve

Preparation for a Community Orchard in the first meadow continues with about a third of the field cleared and a rudimentary compost heap created. Work will continue as long as weather permits so that we won't be carrying out work to that disrupts wildlife in the spring. There is much to do any offers of help gratefully received contact David, dparkin@btinternet.com.

David Parkin "I thought you might like to see the attached photo which my wife (Diane Holmes) took in the garden this morning. It's a 'Hummingbird Hawkmoth'. They seem to be having a good year. Very difficult to photograph sharply as their wings are vibrating really quickly."
